

Parents of Student Athletes,

We are asking for your support in providing positive role-modeling for our student-athletes for the 2019-20 school year. The involvement of our students in athletics and activities contributes to the development of their values system. At Caverna High School, we want to embrace these values by modeling what we want to see from our student-athletes!

Trustworthiness, citizenship, caring, fairness and respect are lifetime values that are taught through interscholastic activities and are principles of good sportsmanship and character. With these principles, the spirit of competition thrives, fueled by honest rivalry, courteous relations and grateful acceptance of the results.

The following are the expectations of parents/guardians of our student-athletes at CHS:

- Understand the purpose of educational athletics.
- School sports are about students learning and having fun.
- Don't live your life through your child's activities. This is their time.
- Accept all decisions of officials; call will not be reversed because you are upset
- Applaud during the introduction of players, coaches, and officials.
- Make your cheers supportive and not instructions as to how to play.
- Be a positive role model through your own actions; please remain calm and composed during games.

Remember, there is already enough pressure on kids to perform as it is. Your added pressure from reacting to mistakes they make, being critical and negative, and heightened emotions create unneeded stress and take away from the fun of the game.

At Caverna High School, we have made a commitment to promote good sportsmanship by student-athletes, coaches and spectators at all athletic events. **Profanity, degrading remarks, and intimidating actions directed at officials, fans, or competitors will not be tolerated and are grounds for removal from the event site.** I understand we all get frustrated and caught up in the heat of the moment with competition, but we have to be the bigger person and model for our student-athletes! Thank you for your cooperation in the promotion of good sportsmanship!

Respectfully,

Chris Crain
CHS Principal

Parents/Guardians of Student-Athletes

I have received a copy and read the expectations for parents of student athletes for Caverna High School sports and activities. I understand that as the parent/guardian of a student athlete that I must model positive sportsmanship at all athletic events and activities for the 2019-20 school year.

I also understand that any inappropriate actions/language that does not conform to these expectations may result in removal from the event, banned from the CHS campus, and/or removal of the student-athlete from the team.
